

Lingwood News

1.3.22

It has been a lovely start to the Spring Term with all children showing great enthusiasm for learning and we are astounded by the wide range of creative homework that is coming in.

World Book Day

As you are aware we are celebrating World Book Day on Thursday 3rd March. This is an opportunity for the children to dress up as their favourite book character. If your child has the book please can they also bring this in to share (please name these).

We are promoting a love of reading in school and the children are already enthused about this as some year groups have already been watching some live streamed online events via the World Book Day website.

Authors and illustrators have been sharing stories and information.

Comic Relief

On Friday 18th March is comic relief and children can wear non uniform to include something red. We ask for a donation of £1 to support the charity. Money can be given to your class teacher at drop off.

School Day

A polite reminder the school day officially starts at 8:45am, registers are taken at this time, if your child arrives after this time they will gain a late mark. We offer a drop off period from 8:30am – 8:45am to support this. The school day finishes at 3:15pm. Where we acknowledge there may be occasions you are later, we are finding an increasing number of children who are consistently collected late. Launchpad gates open from 8:50am with the registers taken at 9am. Launchpad finishes at 3pm.

Parents Evening

Our next parent's evenings will be scheduled w/c 25th April. Of course if you have any questions around your child's learning before this please contact your class teacher.

Google Classroom

Please continue to check your child's online Google Classroom for home work set. It is important it is checked frequently. Reading records must continue to be written in and children listened to at home as part of their homework.

WINK

Please be aware there is now a new app online which allows children to connect and communicate with other users. There is full guidance around this on our school Facebook page.

Pastoral

Sadly, Mrs Walker will be leaving us on Friday 11th March. Mrs Walker has worked at Lingwood for over 3 years joining us as a teaching assistant and progressing to our much loved pastoral manager. She has supported so many children as well as families in this time and will be very much missed by us all. We wish her well on her next venture as she pursues a change in her career. We look forward to welcoming a new staff member to our team who will continue to support all our children and families.

Mr Walker
Academy Headteacher

Miss Laycock
Deputy Headteacher
